Here is a [list of our current affiliate partners](#) and [how we earn money](#)

Customer experience is what makes your sweepstakes or contest unique. It's the sum of all of the interactions that participants have with your sweepstakes and your brand.

Customer experience in sweepstakes may include how participants engage with your follow-up sweepstakes messaging, whether they research your brand and shop for products, whether they complete multiple entries or rely on their single entry for a chance to win, and soon.

Customer experience is one of the main factors that will determine whether sweepstakes participants will enter your promos and become loyal customers.
